

Broadstone Warren catering information 2022

Sample menu

We've provided a sample menu overleaf, but your exact menu may differ due to seasonality, availability and dietary requirements. Water, juice, tea and coffee are available at all meal times.

You'll be aware from the news that there is a national shortage of hospitality staff – regrettably this has affected our operation too. We've got the same great facilities as always, but our meals are currently prepared off-site and delivered fresh daily.

Meal times and locations

Catering is currently only available if you're staying in Broadstone Lodge. We're hoping to expand our catering offer in the future.

Lunch and dinner will be served by our team in the building – you can select a time slot when you check-in at reception. Your breakfast will be in your building ready, self-service.

If you're arriving late on your first evening and have dinner booked, or you have any day trips planned, please give us a heads up so we can make alternative arrangements with you.

Dietary requirements

We are able to cater for the [14 key allergens](#), as well as vegetarian, vegan and halal diets. Our catering team will try their utmost to cater for other allergies or intolerances, but we're unable to cater for personal tastes or preferences.

We'll request these details and your final numbers from you approximately 8 weeks before your visit.

Don't forget

Catering for our packages runs from dinner on your arrival day to lunch on your departure day. Please bring packed lunches for your first day, or we can book additional lunches for you.
