

About the building

Peter Harrison is a modern, bright lodge sleeping up to 50 people. Located adjacent to Wilson Way car park, it's easy to unload all of your kit for your stay.

The building has ten four-bed rooms, three twin rooms, and three single rooms. All rooms include an en-suite with a toilet, sink and shower. Two twin rooms in the building are accessible, with accessible washrooms.

Beds are provided mattress-only, so make sure you bring a sleeping bag and pillow.

The building has a commercial kitchen with everything you need to cater for a group of 50 people.

There's a large hall for dining or activities in both buildings, with tables and chairs to seat your group. The hall is equipped with a projector, screen and AV system for any activities, or just watching a film. There are two communal toilets (one accessible) in the hall.

There's a foyer space with sofas for leaders to relax in the evening; and a drying room too for muddy boots, complete with a washing machine for any emergencies.
