

Youlbury catering information 2022

Sample menu

We've provided a sample menu overleaf, but your exact menu may differ due to seasonality, availability and dietary requirements. Water, juice, tea and coffee are available at all meal times.

You'll be aware from the news that there is a national shortage of hospitality staff – regrettably this has affected our operation too. We've got the same great facilities as always, but our meals are currently prepared off-site and delivered fresh daily.

Bear's Den and Centenary Lodge groups

Our team will serve breakfast and dinner from your building kitchen and wash up afterwards. You can select meal time slots when you check-in at reception.

Packed lunches are self-service – these will be stored in your building fridge for you to help yourselves. You are welcome to eat lunch at your accommodation or within our grounds.

If you have both buildings booked, all meals will be served from Bear's Den.

Tented Village, camping and day visit groups

Our team will serve your breakfast and dinner in The Barn (next to reception).

Packed lunches are self-service – these will be stored in the fridges in The Barn for you to help yourselves. Please use the bins provided. You are welcome to eat lunch in The Barn or within our grounds.

Dietary requirements

We are able to cater for the [14 key allergens](#), as well as vegetarian, vegan and halal diets. Our catering team will try their utmost to cater for other allergies or intolerances, but we're unable to cater for personal tastes or preferences.

We'll request these details and your final numbers from you approximately 8 weeks before your visit.

Don't forget

Catering for our packages runs from dinner on your arrival day to lunch on your departure day. Please bring packed lunches for your first day, or we can book additional lunches for you.

If you're arriving late on your first evening and have dinner booked, or you have any day trips planned, please give us a heads up so we can make alternative arrangements with you.
