## Price list 2023

Updated September 2022

### 1. First steps

The first step is to get in touch - we'll have a chat about what you're looking for, take a few details and check dates. You can ask us any questions, and we can arrange for you to visit your chosen centre.

Once you're happy, we'll put together a quote for you.

### 2. Confirming your booking

We just ask for a 20% deposit within 21 days. No problem if you change your mind - there's no obligation and your quote will expire after this point.

### 3. Creating your schedule

This is the exciting bit! Once your booking is confirmed, we'll work with you to create an activity schedule that matches your group and your objectives.

### 4. Double checking

We'll be in touch about 2 months before your arrival to finalise your booking and check you're ready. We'll send you your final costs, with payment due on departure.

### 5. Ready to go

You'll find everything you need to plan the final bits on our website - including risk assessments, arrival guides, and sample menus. We'll be here to help at every step too.

# Original Outdoor Experience

Built on 115 years experience of outdoor learning, this immersive residential focuses on developing skills for life.

You'll take part in a programme of 3 hour sessions that are built on learning by doing and progression. For example:

- Build confidence by reaching the top of the climbing wall
- Learn independence and leadership with orienteering
- Improve teamwork to build a bushcraft shelter
- Develop planning and problem-solving in raft building

You'll stay in our Tented Village for a stay away from home your group will never forget. We'll help you cook your final evening meal over embers, before a closing campfire.

Your programme will start after lunchtime on your first day and finish at lunchtime on your final day. You're welcome to arrive early. One of our team will be on-hand throughout your stay to ensure it runs smoothly.

You'll need 1 supervising adult per activity group (12 young people), included free of charge. Additional adults just pay £40.00 a night to cover accommodation and catering.

Burst out of the classroom with our classic action-packed programme.

You'll take part in a programme of 90 minute taster sessions, ideal for challenging young people, building skills, team work and having fun.

We've got more than 40 activities on offer, including target sports, high ropes, water sports, outdoor skills and team building challenges.

We know it's important to have a home away from home, so you'll settle down for the night in our comfortable indoor accommodation.

To make things simple, we include catering in our package prices as standard.

One of our programme leaders will be on-hand throughout your stay to ensure it runs smoothly.

You'll need 1 supervising adult per activity group (12 young people), included free of charge. Additional adults just pay £40.00 a night to cover accommodation and catering.

† Additional £33.00 at Great Tower to cover up to 2 days of off-site activities.

## Adventure 50:50

This package includes half the number of activities of Outdoor Adventure for a more flexible stay.

This gives you a chance to fit in some teacher-led sessions too. Some schools use this for fieldwork, revision or to continue lessons. Most of our buildings have a hall space, and you can make full use of our grounds.

You could also use the time to plan a day trip to a local attraction.

You'll have a great night's sleep in our clean, comfortable indoor accommodation, and catering is already included in our prices.

One of our programme leaders will be on-hand throughout your stay to ensure it runs smoothly.

## Activity Days

Day visits are a great way to get as much adventure as possible out of the time you have. We can accommodate small classes up to whole year groups - or if you're local, why not plan a term of visits?

You can choose from our range of over 40 instructed activities to build a fantastic day of adventure. Whether you're looking to build a skill or celebrating a class achievement, we can help you with the perfect activity programme.

Talk to our team about adding an indoor space if you want to pair your activities with some classroom time or have a base to store your bags.

For a hassle-free day, you can also book packed lunch with us too - enjoy it in our dining hall or take it away for a picnic!

Supervising adults are included free of charge. You'll need at least one adult per activity group (12 young people).

## Let the adventure begin

No two visits to Scout Adventures look the same, because we'll work with you to create an activity programme that suits your group and objectives.

Most overnight groups arrive mid-morning to settle in (don't forget to bring your own packed lunch or book an extra meal with us!) before meeting their programme leader.

You'll check into your accommodation after your first afternoon of activities with us, with time to unpack your sleeping bag before dinner.

Your programme will finish at lunchtime on your final day, when you'll check-out of your accommodation too. You'll have a final lunch which you can eat on-site, or takeaway for the journey home.

# Your accommodation

## A night under the stars

Original Outdoor Experience groups stay in our Tented Village - but you can opt to stay under the stars with our other packages too. Just let us know when you book.

To make it easy, our Tented Villages are already built and include:

- Tents with comfy mattress pads
- A group marquee with seating, lighting and electric
- A basic camp kitchen for that all-important evening hot chocolate

It's usually about 4 - 5 young people to a tent, with separate tents for adults in your group.

## Comfortable and cosy inside

Rooms in our indoor accommodation usually sleep 2 - 8 people, with separate rooms for adults. You'll get to make your own room lists. Most buildings are accessible, but please let us know if you have any specific needs.

All of our buildings have toilets, showers and a communal space. Most have a kitchen, and many of our rooms are en-suite. All of our centres have Wi-Fi, and the majority of our buildings have TVs or projectors for any classroom time or evening films.

Find more details and rooms plans for our buildings on our website.

## Fuelling your adventure

We know how important a hot, hearty meal is to fuel a long day of adventure. Our kitchens offer a variety of freshly prepared, healthy, homely meals.

All of our overnight packages include catering from dinner on your arrival day until lunch on your last day.

We cater for most dietary requirements, which we'll ask you about before you arrive.

Water, squash, tea and coffee are available at every meal.
