

About the village

The Tented Village includes 12 bell tents and is situated in an enclosed area of Essex Chase.

Groups usually have 10 tents with 4 young people in each, and 2 tents with 2 adults in each – but it's completely up to you! The village includes 44 mattress pads.

There's a large kitchen and dining tent with a hardcore floor. The tent contains the kitchen equipment listed overleaf as well as tables and benches, lighting and electric.

There's also an outdoor seating space with picnic benches, festoon lighting, and a small campfire circle in the middle of the village.

The closest toilet block is on Essex Chase, with separate toilets and showers for female and male adults, female and male young people. There's also an accessible and all-gender wet room with toilet and shower.

There are also two further washing-up sinks outside the toilet block if you need them.
