

About the building

Dorothy Hughes is extremely popular for its cosy log cabin style and dorm rooms – perfect for those first nights away from home! Located adjacent to Wilson Way car park so it's easy to unload all of your kit for your stay.

The building sleeps 40 across two large dorms, one four-bed room and two twin rooms. Take a careful look at the building layout when planning, as some rooms are interconnecting.

There is one communal female bathroom, and one communal male bathroom. Both have toilet and shower cubicles.

Beds are provided mattress-only, so make sure you bring a sleeping bag and pillow.

The building has a commercial kitchen with everything you need to cater for a group of 40 people.

There's a large hall for dining or activities, with tables and chairs to seat your group. The hall is equipped with a projector, screen and AV system for any activities, or just watching a film.

Please note that this building may not be accessible due to its age – please chat to us if you have any access needs.
