A sneak peek into our

Tented Village

Our tented village is made up of 11x 5m bell tents and come complete with comfortable mattresses. There's also a group marquee with tables, benches, lighting and equipped kitchen.

Woodpile and fires

Fires must not be lit on the grass, please use the raised campfire altar provided.

We don't have a woodpile but there is lots of wood around on the forest floor, please don't cut any live trees.

Alter fires are available from reception. Please speak to a member of our team.

Where to park?

No cars are permitted on the campsites and must stay on the main tracks for loading and unloading.

Once unloaded cars must be parked in the main car park which is located close by.

Group marquee

Inside the marquee you will find:

- Equipped kitchen area
- Water boiler and tea/coffe station
- Wash up sink with hot and cold water
- Crockery, cutlery and utensils to cater for 70 people
- Enough tables and benches for the whole group
- Lighting and sockets for phone charging

The Kitchen

Inside the kitchen you will find:

- Fridge & freezer
- Oven with 6 hobs
- Worktop space
- Plenty of pots, pans and utensels
- Microwave and toaster
- Hot cupboard and servery

Upon check-in you will given a selection of sharp knives.

Toilets and showers

We're thrilled to introduce our brand new toilet and shower block, just a stone's throw away.

Our brand-new facilities feature individual entry cubicles for both toilets and showers, ensuring minimal wait times and maximum convenience.

Activities

With close proximity to the thrill and excitement of our activities, our tented village provides a perfect location just moments away.

Whether you're gearing up for adventure or winding down after an action-packed day, the convenience of the location maximises your time.
