Sharp knives are not provided in the buildings; however, they are available for hire from reception for a refundable deposit of £30.00

If you require any additional kitchen equipment please ask a member of staff and we'll do our best to find it.

Room Plan

Capacity: 36 (32 young people and 4 adults)

Cartmel Lodge is our largest building and is ideally set up for both scout and school groups as a base to explore the Lake District or take part in one of our instructed packages. Located to the East side of Camp Centre the building is easily accessed by vehicles and is adjacent to both Windermere Chalet and the Bunkhouse offering flexibility for larger groups to spread across multiple buildings.

The building comes with a fully equipped commercial kitchen including gas oven and 6 ring hob, hot water boiler, large fridge and freezer as well as all utensils/crockery you need. The main hall contains tables and chairs as well as a small comfy seated area.

GREAT TOWER

Bedrooms for young people have either 4 or 6 bunk beds and each bedroom has a sink. There are 2 twin adult rooms including an en-suite shower room. The lower floor of the building has individual shower rooms and a boot room area ideal for keeping mud out of your living space. The Lodge also has disabled access.
