At Lochgoilhead we try to tailor your programme to the needs of your group. We understand that you will know your group and what activities will reach their personal challenge levels. All of our activities can be run in different ways to increase and reduce the levels of challenge accordingly but some activities can be challenging for younger participants. For younger participants we are able to run shorter 1.5 hour sessions, mixing them together to increase the range of activities, while making them more appropriate to the group's concentration levels.

NOTE:

The roped activities at this centre are not offered for under 8 year olds.

Instructed: Standard activity sessions are 3 hrs in length. Activity Session times: AM: 9:30 - 12:30. PM: 1:30 - 4:30. Eve: 18:30 - 20:15.

All activity sessions are run by our team of instructors and can accommodate a max number of 16 persons (inclusive of Leaders). All sessions will include time for a briefing and debriefing so the group will gain the maximum benefits from the session and can reflect on areas of learning that may need to be identified by the instructor. Any requests for specific badge programmes or activities must be made at the time of booking to insure availability of resources. Some of our activities are not suitable for younger group members while others activities only run between the months of April- October. Some sessions can be adjusted to run as 1.5 hr sessions and mixed to create a full session, these work well with younger groups to increase the range of activities offered.

Self - Instructed: Self-instructed and self-led activities are available at our standard session times and should be booked in advance. All supervision is carried out by the leader. Where permits are requested for self-instruct sessions the permit should be recorded on compass for staff to check before the session can begin.
