

Directions to Scout Adventures Fordell Firs

Directions from the North via the M90

Leave the motorway at Junction 3 and take a left turn. At the next roundabout take the road for Crossgates. Go through Crossgates to the traffic lights (this is a staggered junction). Turn right (south) on to the B981. Travel about two miles - the campsite entrance is clearly marked.

Directions from the South via the Forth Road Bridge

Cross the Forth Road Bridge and leave the dual carriage way at Junction 1. Please note that Junction 1 is NOT the first turn off after the Forth Road Bridge. Take a right turn at Junction 1 heading towards Dalgety Bay. You will then come to a double roundabout. Go straight ahead at the first and take a left turn at the second, turning on the B981 (traveling north). Continue along the B981. The campsite entrance is second on the right. Please disregard satnav directions that suggest you take the first right.
