#### Room Plan

Capacity: 34 (30 Young People and 4 adults)

Our tented village is located in the central area of Great Tower next to the ring road. We've designed the camp to provide comfortable camping for large groups, giving an authentic under-canvas experience without the hassle of moving your own tents and equipment.

The camp consists of 6 x 4m Canvas bell tents each on level bases and equipped with comfortable sleeping pads for 5 people. Each tent also has an electric lantern and storage boxes to keep personal kit tidy. In addition there are 2 x 3m Bell tents for adults which have camp beds as well as sleeping pads.

# GREAT TOWER

The camp has a large mess tent with tables, benches and electric lights, a campfire circle and a kitchen tent which is fully equipped to cook for the entire group. The camp is close to toilets and showers, the washing up facilities and a large parking area.
